BRIEF ABSTRACT OF LETTER.

Suggests that the bills on account of pay to the peon of the Deputy Inspector of Vaccination, Sadilwar charges and musafirkhana lighting charges in Taluks may be made payable at Taluk Treasuries with the Countersignature of the President if necessary as it is not possible to issue a cheque every month and consequently the claims will have to remain unpaid for some months.

NOTES AND ORDERS.

The inconvenience of issuing a Cheque for less than Rs 10 to disburse the pay of the peon of the Deputy Inspector of Vaccination was once before brought to the notice of Govt and it was then ordered that the

Charge should be clubbed with some other charges so that the amount may exceed Rs 10 to admit of a cheque being issued (Vide G.O. 7276-85/LB 192-11-2 dated 3rd April 1912). If the instructions conveyed in this order are followed no inconvenience can possibly be felt. As regards the Sadilwar charges and lighting charges of Musafilkhana there will be no objection to meet them from the D.T. impresto held by the Amildars which is intended to meet such Contingent Charges. The impresto can be recouped by means of cheques although the amount to be recouped is less than Rs 10 (Vide rules 111 +117 & 115 of the L.B. Rules). It therefore appears sufficient to invite the attention of the President to the order of 3rd April 1912 and rules 111 +117 & 115 of the L.B. Rules.)

Sir,

Adverting to Government Order No 7530-43 L.B. 80-14-4 dated 27th March 1915, sanctioning the encashment of pay bills of District Fund employees under the control of Taluk Amildars concerned, I have the honor to state that according to standing orders of Government, a District Fund Cheque is being issued for the pay of the peon attached to the Deputy Inspector of Vaccination of this District. The pay of this peon being less than Rs 10/- it will not be possible to issue a cheque every month and consequently the peon will have to wait for two months to get his pay.

Every Taluk Board incurs a contingent expenditure of not more than 2/- per mensem for sadilwar articles and some of the Taluk Boards incur also an expenditure of not more than one rupee for lighting charges in Musafirkhanas. As these sums are less than Rs 10/-, cheques cannot be issued every month and there will be long delay in making payment on account of these charges. I would suggest that the bills for the said charges may be made payable at Taluk Treasuries with the Countersignature
